**DATED : OCTOBER 19, 2004.**

**P.C:-**

1. In spite of the fact that the  
office has notified these matters and  
rules provide that in case the printing

is dispensed with, the appellants are liable to supply the paper book and decree forms, it is now transpires that though a pretty long time ago these matters have been disposed of by this court yet the learned counsel who are supposed to supply the decree forms have not supplied the decree forms, as a result of which, the decree along with the bill of costs could not be drawn by the office so as to send the matters to the record room finally.

2. We have noticed that the obligations and responsibilities of the lawyer do not conclude with the disposal of the matter, however, they continue under the rules till the decree is drawn. For that purpose we make a reference to Chapter -VII, Rule-10(2) and Chapter-XIII Rule-3 of the Appellate Side Rules. Thus, we have noticed that for a pretty long time the advocates who are responsible for the discharge of such duty have failed in their duty by not supplying decree forms to the office.

3. In the circumstances, by way of a last chance, we grant a period of three weeks to the Advocates in these matters to comply with the office objections, i.e., to supply the decree forms as desired by the office. In case there is a failure to deposit the said decree forms within the stipulated time, each of the Advocates will be liable for a cost of Rs.500/- in each matter.

4. List the matters in case of non compliance of this order, after four weeks.

5. Registrar (Judicial) is hereby directed to send a copy of this order to the Presidents of the Appellate and Original Side Bars and also to display a copy of this order on all the notice boards.
